

LIST OF COUNTRIES TO WHICH MALTESE ORDINARY PASSPORT HOLDERS MAY REQUIRE A VISA

COVID-19 NOTIFICATION.

Please note that in view of the Covid pandemic- not all countries are open for travel. There are also Maltese Legal Notices concerning Travel Bans whereby Maltese nationals and persons residing in Malta may require special authorisation from Maltese Health Authorities in order to travel (<https://deputyprimeminister.gov.mt/en/health-promotion/covid19/Pages/travel.aspx>)

In specific cases, the rules concerning visas have changed or have been suspended. Therefore, please do contact our Visa Advisory Unit for Maltese nationals travelling abroad on 22042331 or 22042313 or write an e-mail to consular.mfea@gov.mt to double check directly whether the positions outlined below still apply or otherwise. The list below reflects the position under 'normal' (non-covid) circumstances.

Latest Update: 03.01.2022

Table II is a courtesy list of countries to which Maltese ordinary passport holders may require a visa for specific purposes or durations of stay. Please first refer to Table I to check whether Maltese nationals do not require a visa before utilising Table II. (Table I: <https://foreignandeu.gov.mt/en/PDF%20Documents/Visa%20Advice%20for%20Maltese%20Nationals.pdf>)

It is the personal responsibility of each Maltese citizen to enquire well in advance about whether they require a visa or otherwise for specific purposes and durations of stay in foreign countries. This obligation of enquiring with the right sources, foreign representations or offices must be undertaken as early as possible, at least 4 to 6 weeks prior to the planned journey, ideally before the purchase of any flight/cruise bookings. Some countries' Embassies may require 1.5 months to issue visas. This table provides the most official sources provided by foreign states with which one may consult.

The use of Table I and Table II is subject to a disclaimer by the Ministry as follows:-

Disclaimer:

The Ministry for Foreign and European Affairs is not responsible for the issuing of visas to Maltese nationals by foreign states. Visa requirements for Maltese nationals going abroad are invariably subject to changes by host countries.

The Ministry shall not be held responsible for any variance in the information provided. The applicant may wish to double check requirements independently of this service. It is the responsibility of the applicant to ensure that enquiries are submitted well in advance of planned date of departure. Information should be double checked closer to the date of departure prior to travelling to countries which ordinarily do not require a visa for Maltese passport holders.

A. General Guidelines Applicable when Maltese Nationals Require a Visa

- As a rule, please ensure that prior to deciding to apply for a visa, you check the Ministry's Travel Advice for your own safety on: <https://foreignandeu.gov.mt/en/Pages/Travel-Advice.aspx>
- As a general rule, travellers must always **ensure that their passport has a validity of at least 6 months from the date of entry into the foreign country being visited** unless your duration of stay is much longer than 90 days, in which case it would be best to ensure that your passport exceeds your intended date of departure from the foreign country by another 6 months. Should foreign countries have a rule which differs in relation to passport validity, the special rule will derogate this general rule. Read well all the instructions provided by foreign Embassies or authorities in relation to visa information and passport requirements.
- Please ensure that your passport holds at least two (2) blank pages, ideally adjacent, before travelling to ensure sufficient space for any entry stamps or visas which need to be affixed. (The 2 blank pages should not include pages reserved for observations or Amendments and Endorsements).
- Always carry with you, where possible, proof of hotel/cruise bookings, proof of onward/return flight/boarding booking to prove duration of stay, proof of sufficient funds (e.g., Bank visa with relative bank statement). Always be aware of customs rules and any registration obligations upon arrival in the country and any other subsidiary rules such as the filling in of migration cards etc.

- When seeking to apply for a traditional visa affixed to your passport allocate at least 4 to 5 weeks prior to planned date of departure from Malta since Embassies may take time to process applications following respective procedures and are sometimes based abroad. Some Embassies may take up to 1.5 months to obtain authorisation from their Immigration Authorities.
- For online e-visas, applying a maximum of 1 month before one's intended entry is usually suggested. Please always check the specific rules concerning e- visa issuance on the relevant websites.
- Where information on the official foreign government link/s provided in this list is not in the English language, please click the right-side button on your computer's cursor and choose 'Translate to English'.
- Maltese public servants are requested to contact the Ministry on 22042331/22042313 or on consular.mfea@gov.mt for further guidance pertaining to visa requirements for Official Duty abroad since such rules may differ from general conditions pertaining to business or tourism.
